Foreword

We, the Class of 1949, do hereby publish this book in the hope that the thoughts and ideas, pictorially set forth, may remain entrenched in the minds of future classes for purposes useful to them.

We have chosen "The Hurricanes" as our main thought. This theme was selected in recognition of our athletic groups to which the Class of '49 made commendable contributions.

We now proudly present the 1949 Blue & Gold.

We, as Seniors, pay tribute to the memory of Robert Sausser, President of the School Board, who died September 8, 1948.

Mr. Sausser was highly esteemed as a business man and citizen. He gave generously of his time and talents in serving the interests of the youth of the community.

Joseph H. Manbeck was appointed by the Board to fill the unexpired term.

Greetings To The Class

CONGRATULATIONS and best wishes to you, members of the class of 1949, as you near the final day of your public school career.

The hope is expressed that the community and state may have served you well in providing learning experiences through which you could become fitted for the early privileges of citizenship. There are, however, responsibilities which every good citizen assumes in a democracy and you are admonished to discharge them ably and well.

We expect that you have come to appreciate and treasure the freedom enjoyed in America, the last bastion of individual liberty in the world. May we urge you to keep and improve the faith of your fathers and always remember that liberty is never completely won but must, at times, be sternly defended.

It is gratifying to find that you are upholding class tradition by publishing this 1949 issue of the Blue and Gold. Best wishes for a busy and rewarding future.

ADMINISTRATION

PAUL E. HARTRANFT
High School Principal

The year 1949 is a challenging time for young people to graduate from high school. Peace has not yet come officially to the world. The differences between the two major ideas of government that are found in the world today have threatened a new conflict.

The many outstanding advances in the field of science have put zest into our living but have also created many new situations. The atomic age is appearing which will greatly change our way of life in many ways. This is the time in which men's souls are tried, but it is also the time to show the fiber of which men are made.

Your basic training is completed. You will now be on your own. That will be true if you continue your education or step into industry. In the case of most of you your capabilities will be revealed to you as you grow through experience and further training.

Seniors, all of the fields of endeavor will create problems in your way of living but they will also bring opportunities of many varieties. The manner in which you use your opportunities will indicate the measure of success or failure for each of you. Success comes to those who are alert, trained and who exercise the initiative to grasp the situation when it arises. The motto of the class of 1949 is "Knowledge comes but wisdom lingers". Your success will finally be measured by the amount of wisdom which lingers when knowledge comes.

They gave us the push
that
pulled us through.

ALMA MATER

For you, Haven High,
We'll work and we'll try,
To bring your name
Glory and more fame,
May all that you know,
Be pride and joy alone.
Our Alma Mater, behold
The Blue and Gold.

Schuylkill Haven High,
We will fight for you.
Staunch you'll remain
To you, the "Gold and Blue,"
As true as the "Blue,"
As worthy as "Gold."
We'll do our best for you
Our Haven High.

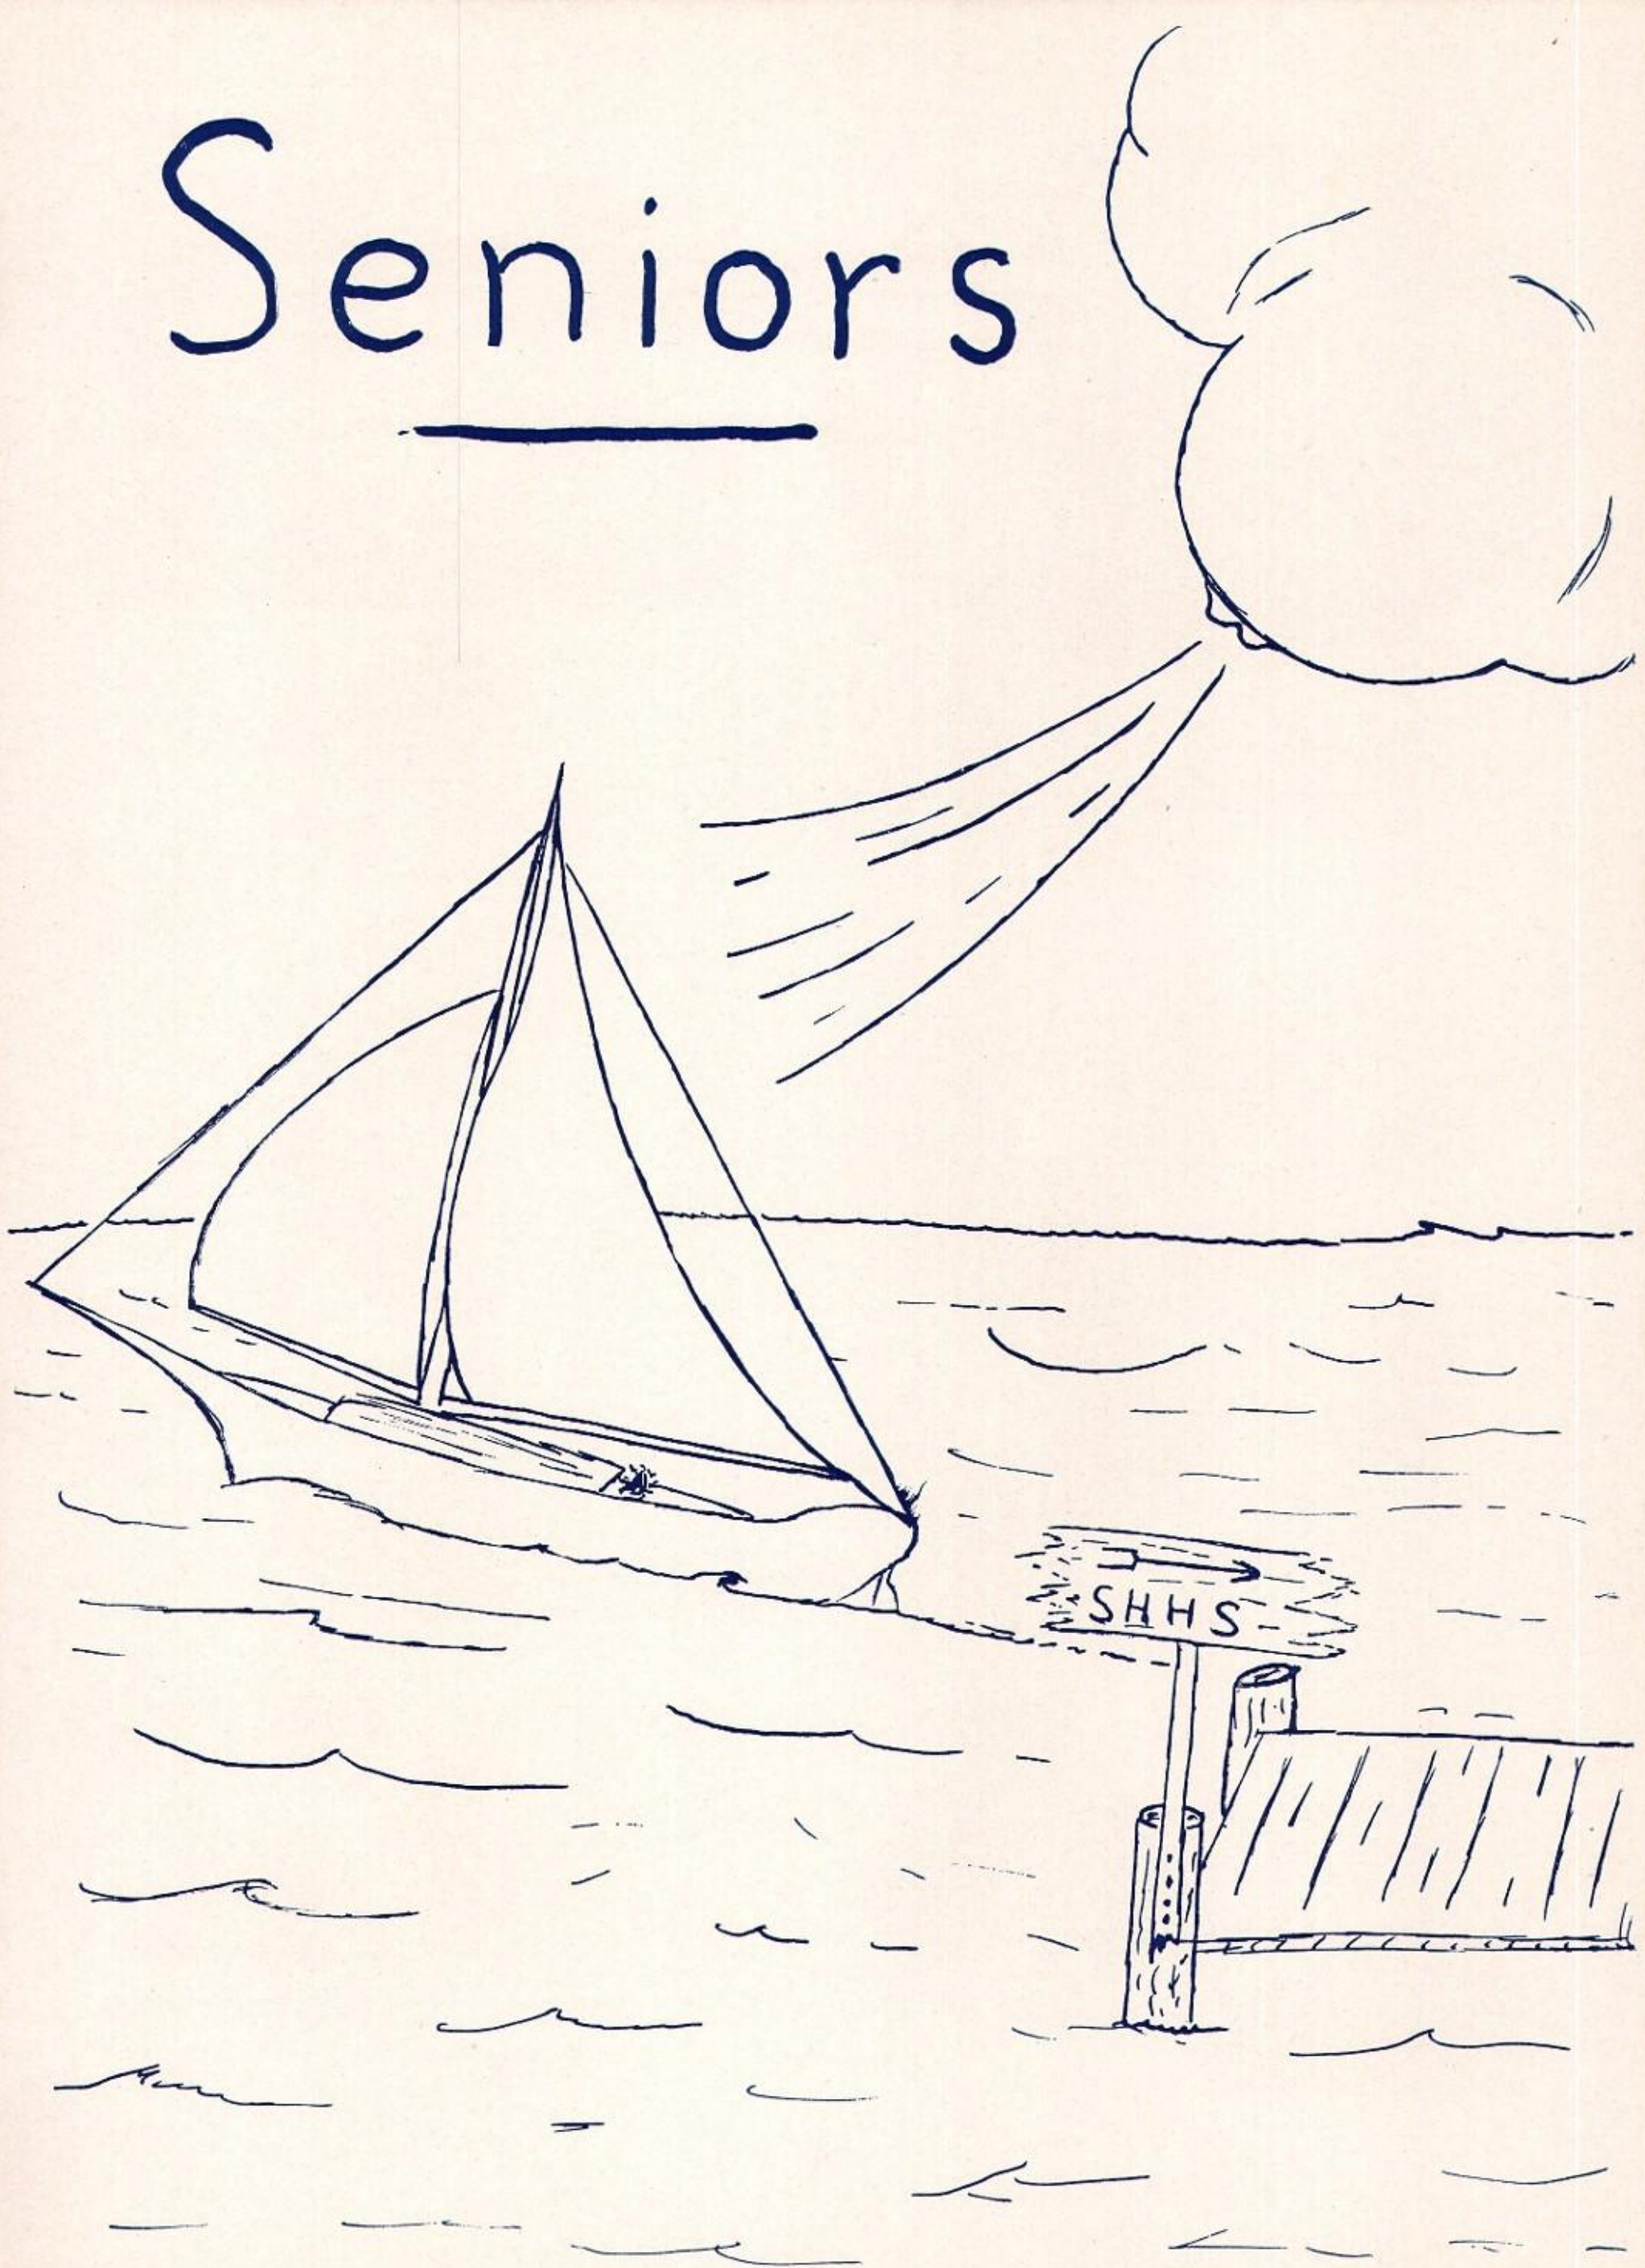

Our dear Haven High,
For thee we'll do or die.
Our thoughts will cling with thee
Unto eternity.
The friends gained through your love
They'll be as stars above.
This Alma Mater true,
We dedicate to you.

CLASS POEM

THE FORTY NINERS

We are the Forty Niners;
Our years in school are past,
But we can reminisce
And hold our thoughts steadfast.

We are the Forty Niners;
The gold for which we search
Is found in lives ahead—
In factory, home, and church.

The gold rush now is on;
With hope we'll wend our way—
The ore must first be found,
So let us search this day.

We have the things we need
To aid us as we leave;
The things we've learned in school
We'll practice to achieve.

We are the Forty Niners
With many things to find;
But teachers' zeal and work
We'll always keep in mind.

And thus as years go by
And folks do what they must,
Our class, the Forty Niners,
In God will put our trust.

—LARRY KLINGER

CLASS SONG

FAREWELL HAVEN

We're leaving Haven High;
Our memories will remain,
We've had our fun and made our friends,
But we must say farewell.
School days we leave behind,
But hearts will always sing
When we can hear that old refrain,
Our Alma Mater dear.

We'll travel stormy seas;
Loyal and true we'll stand.
We've tried to keep our record clear;
For honor is our quest.
So, friends, our plan is given.
We'll hold our heads up high
Reaching for standards that are best,
First taught by Haven High.

Senior Class History

Well, gang, this is it! This is the year we have all been waiting for! But before we begin to burst forth with joy and happiness, let me take you into the past so that we may reminisce over our three years in senior high.

Remember that first day—September 4, 1946. We started the three most important years of our lives on that day. Whatever course we decided to take, our senior high education would be the most influential and beneficial that we would ever know.

The main high-light of our "Silly Sophomore" year was the Crystal Ball dance, held in the gaily decorated gymnasium, and a wonderful time was had by all.

Mr. Imboden was our class adviser. Mr. Husousky and Mr. Kershner aided us also in obeying this order.

We returned in September 1947, and much to our dismay the school hadn't changed. We were now "Jolly Juniors."

The junior dance, held after the home basketball games, was the first social event to be sponsored by the class. The junior play, "The Adorable Imp," directed by Mr. Brown, was outstanding and also a financial success.

September 1948. Then finally it was here. That year of years—when we became "Sophisticated Seniors." What a terrific year that was! The football team, well represented by our senior boys, and led by Russell Heffner, proved to be one of the most outstanding teams in the past few years. Winter brought on more sensational athletics, with the basketball team losing only three games the whole season. Karl Kauterman, captain of this fine team, deserves mention for his excellent leadership.

Other activities in which our class participated were Hi-Y, Tri-Hi-Y, G.A.A., Band, Student Council, Baseball, Chorus, Majorettes, and Cheerleaders.

We are proud to say that Charles Bernheisel was our president for the past three years. The other officers for our senior year were vice-president, James Moyer; secretary, Sylvia Ketner; treasurer, Isabelle Naffin. Miss Bausum, class advisor, and Mr. Brown guided us through this last year.

The senior play, "We Shook the Family Tree," proved to be an enjoyable evening of entertainment. Our other activities were a senior dance, senior hoe-down, and a trip to Washington.

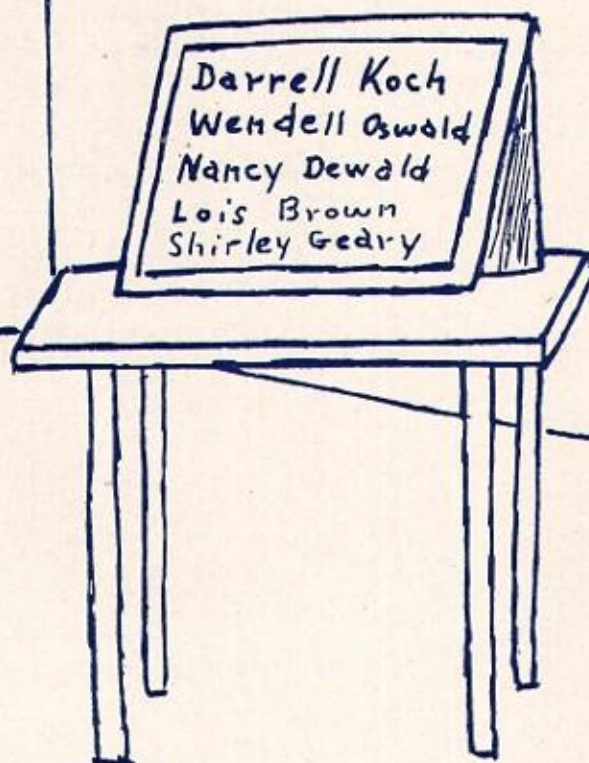

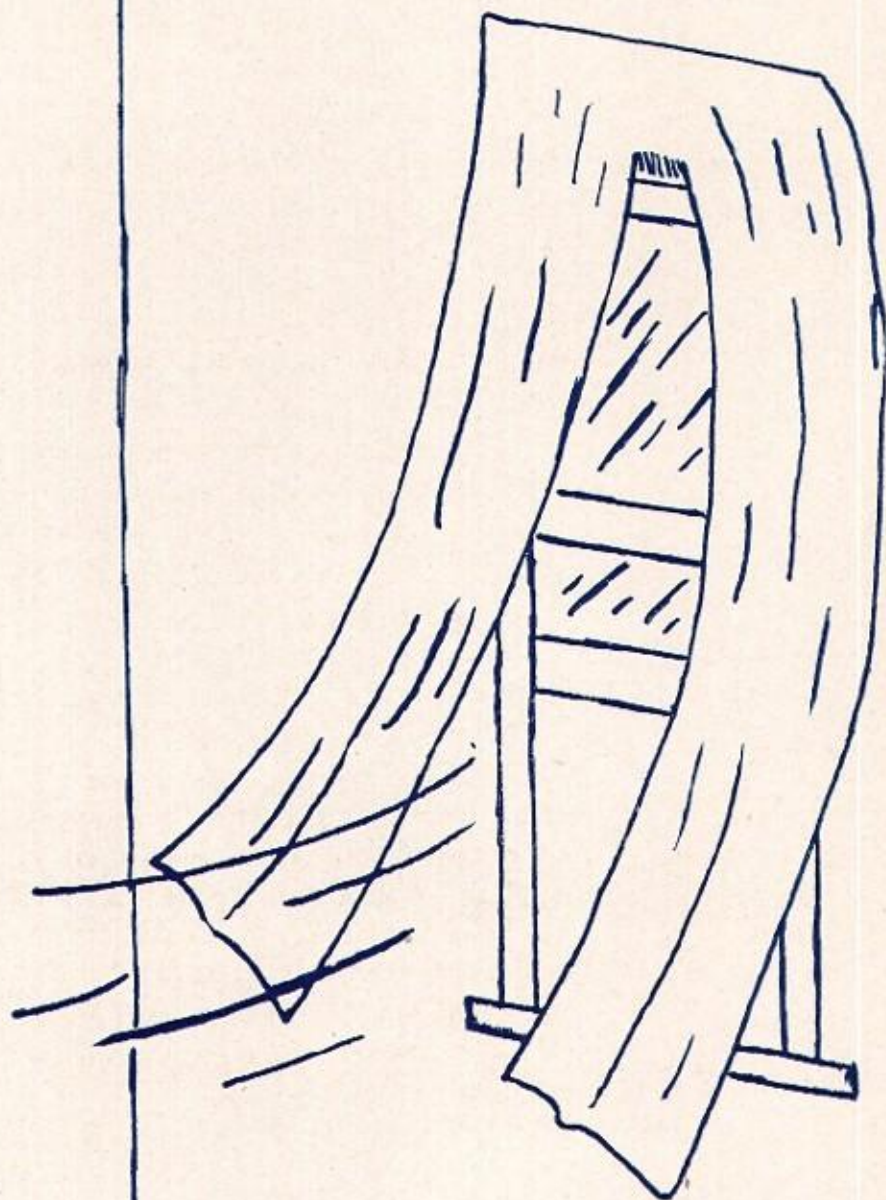

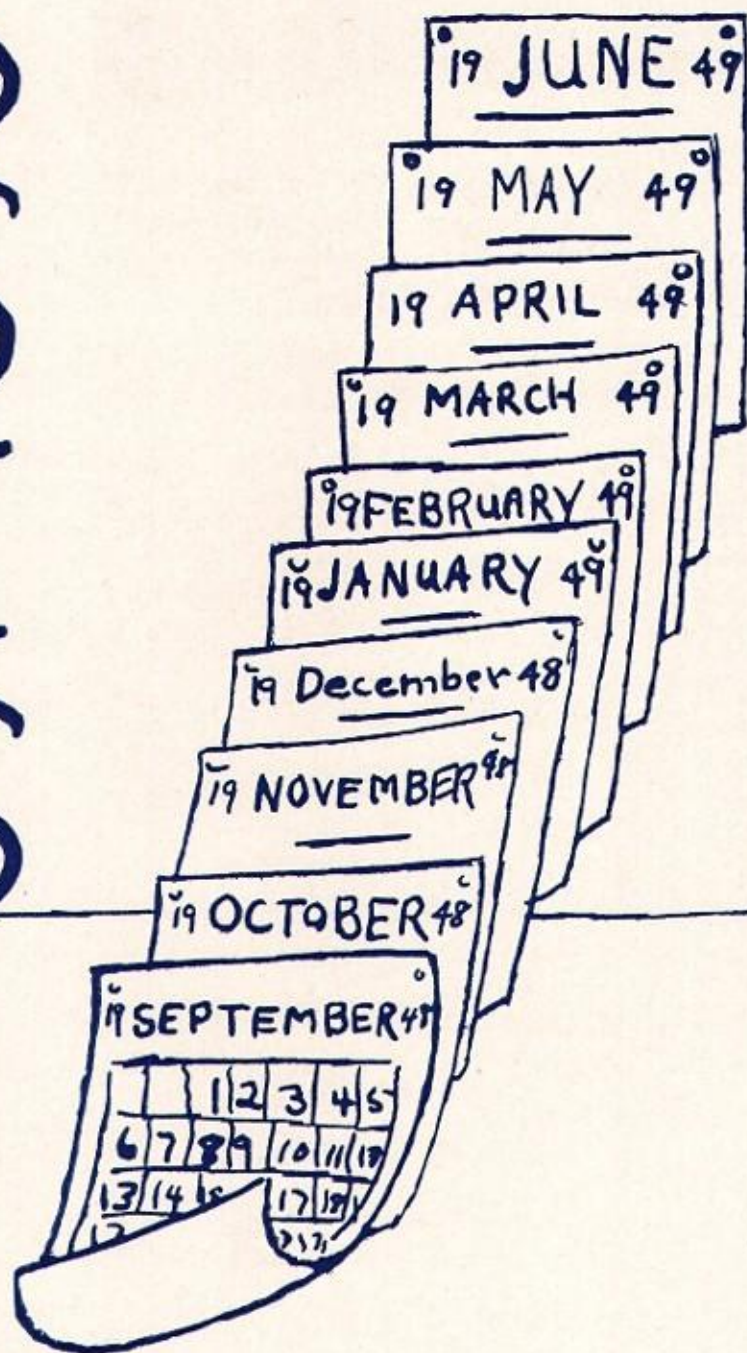

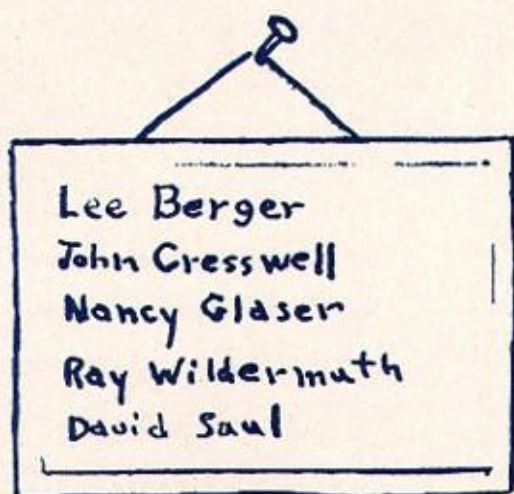

Then came the month of June, the one month we will always remember as one of the greatest in our lives. Commencement and all other graduation exercises took place in the auditorium.

Thus ended three years of hard work and good times, and we wish the best of luck to our successors in all they undertake.

HEALTH PROGRAM

SCHOOL LUNCH PROGRAM

The school lunch program is set up in the Schuylkill Haven High School to help meet the nutritional deficiencies that exist among the school children of Schuylkill Haven. A hot, nutritionally balanced meal is prepared and served by two women cooks assisted by pupils under the supervision of the Home Economics Teacher.

Under the National School Lunch Program surplus foods are made available to schools and a cash reimbursement of .09 per meal for each pupil's lunch, making it possible to serve a complete lunch at a cost of .15c per meal.

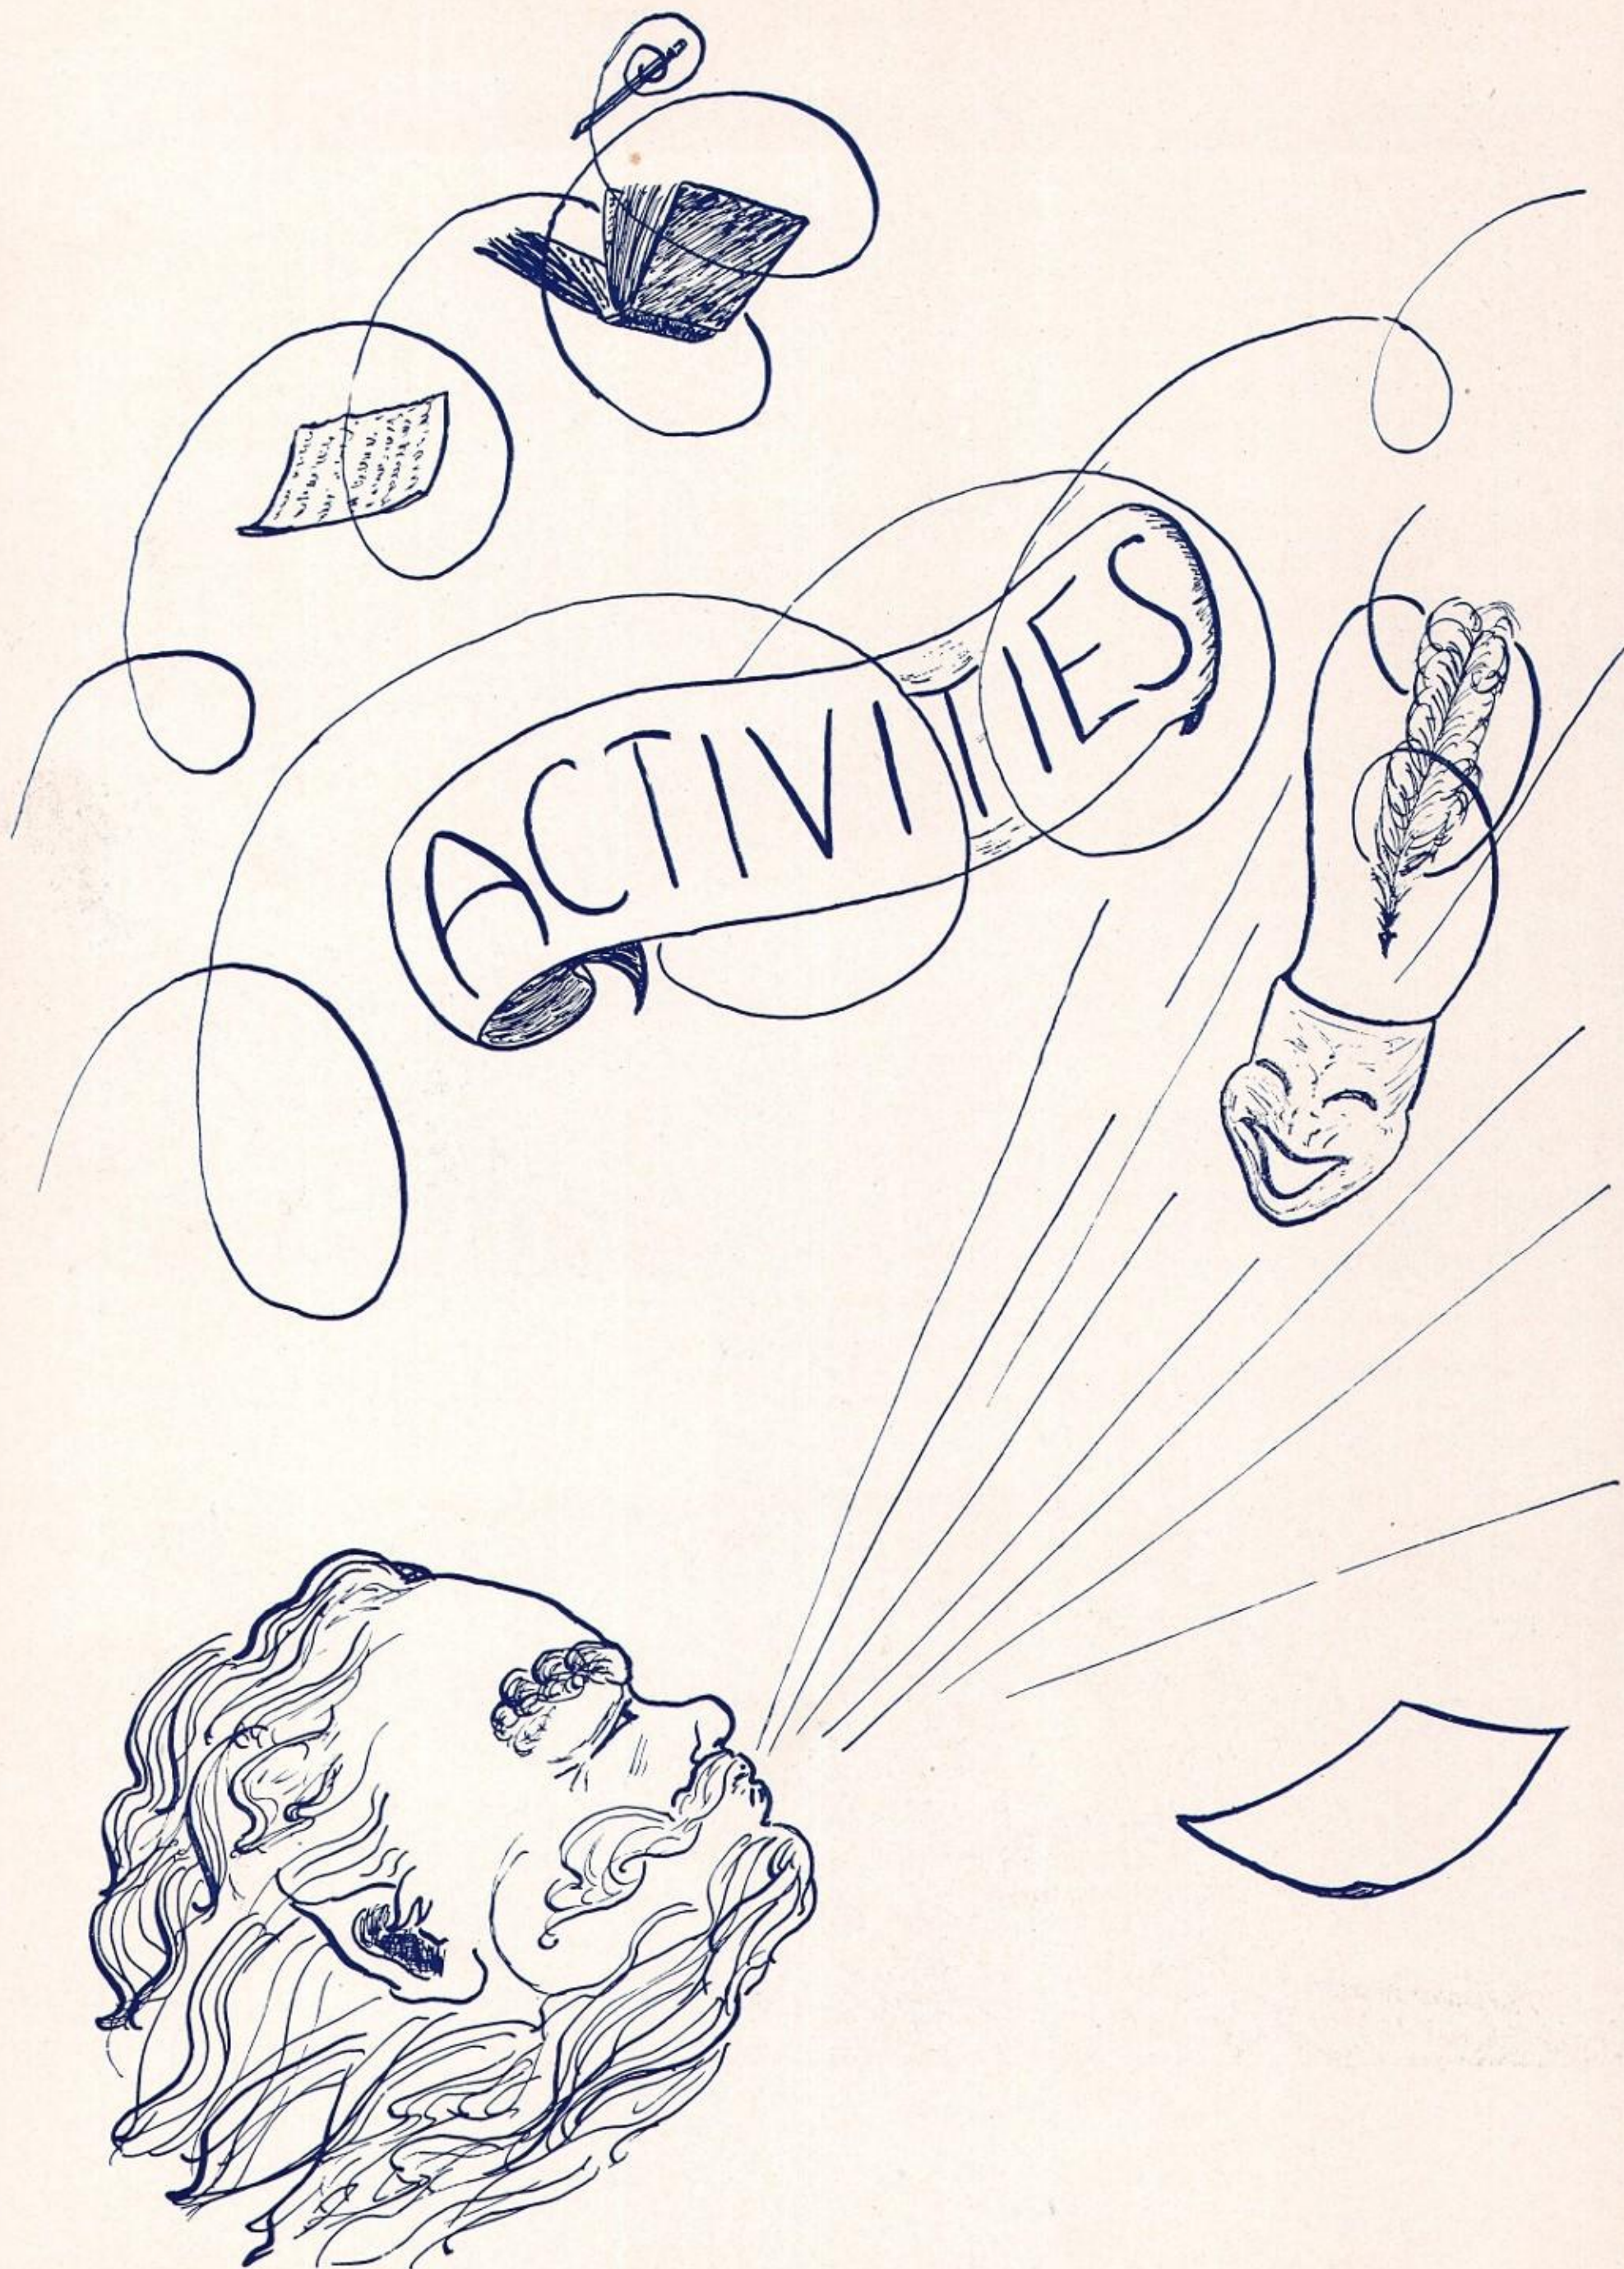

The lunch is served in the Home Economics Room of the High School. Any pupil may eat there who fills out an application card and has it approved by Home Room teacher and Miss Lutz, supervisor. Because of limited serving and seating space, the program is limited to 140 applications.

A typical lunch consists of soup or main dish, sandwich or bread and butter, dessert and $\frac{1}{2}$ pint of milk. Each meal is planned to meet nutrition required under the National School Lunch Program.

1948 PIGSKIN PARADE

Schuylkill Haven continued to play all its football tilts under the arcs with the exception of one away game.

Facing a rugged ten game schedule, the Hurricanes proudly scored a record of nine wins against one loss with the last eight victories in succession.

Coach William Stauffer loses six first-string men and four other players via graduation. The boys graduating

are: Russell Heffner, Charles Bernheisel, Karl Kauterman, Fredrick Edling, Gerald Troutman, John Cresswell, Wilbert Cresswell, John A. Strauch, Gerald Harner, and Richard Genzlinger.

With several veterans returning to next year's squad, a fair season is being looked forward to.

1948-49 BASKETBALL REVIEW

The fighting Hurricanes again brought glory to Sch. Haven High on the hardwood.

The record shows five defeats against 16 victories for the season. The Hurricanes placed second in the South Schuylkill League.

Sch. Haven was eliminated from the South Schuylkill League O'Shaunessy playoffs by Cass Twp. in an overtime duel.

Coach Win Evans loses only two players by graduation. They are Karl Kauterman and Richard Miller. Next year's team should have a good season because there is an experienced team available.

Karl Kauterman was the leading point maker in the South Schuylkill with a total of 330 points in eighteen games. Kauterman was named to the first team on the Pottsville Republican All-Star team and also received All-State honorable mention.
